## Tiana's Bayou Adventure at Magic Kingdom

Tiana's Bayou Adventure invites guests to join beloved characters Princess Tiana, Mama Odie, Louis, and all-new friends on a thrilling adventure, all set against the music and excitement of a New Orleans celebration. This new attraction will feature dozens of Audio-Animatronics figures, a foot-tapping soundtrack, and a celebration where everyone's welcome.

Music is at the heart of New Orleans, and guests will be tapping their toes all throughout the attraction thanks in part to adorable critters, who play instruments made of

natural materials found in the bayou. Tiana's new friends include an otter, a rabbit, a raccoon, a beaver, a turtle and more. Their spirited stylings will turn the bayou into a party with Zydeco, Rara, and Afro-Cuban music authentic to the region of New Orleans. There will be new, original music alongside favorite tunes from the film, created in collaboration with award-winning artists PJ Morton and Terence Blanchard.

In addition to musical critters, Tiana's Bayou Adventure welcomes talent voices from the film as they reprise their roles, including Jenifer Lewis as Mama Odie, Michael-Leon Wooley as Louis, and the one and only Anika Noni Rose as Princess Tiana.

As guests float through the cypress trees and Spanish moss of a beautiful Louisiana bayou, they may see some familiar faces as part of the dozens of entirely new Audio-Animatronics figures. Along with Princess Tiana, Louis and Mama Odie, keep an eye out for Eudora, Charlotte, Prince Ralphie, Prince Naveen and others. Between Disney's iconic storytelling, technologically advanced Audio-Animatronics figures, and a thrilling 50-foot drop, Tiana's Bayou Adventure has enough fun for everyone!

As Walt Disney Animation Studios' "The Princess and the Frog" makes its home in the Crescent City, Tiana's Bayou Adventure is more stuffed with authentic NOLA artistry than Charlotte is with Tiana's "man-catching" beignets! Artwork from Louisiana artist Malaika Favorite will delight guests as part of the queue, and guests can see an original metalwork weathervane from third-generation master blacksmith, Darryl Reeves and his apprentice, Karina Roca.

New Orleans artist Sharika Mahdi's artwork has inspired the attraction from the beginning. And, for some lagniappe (a "little extra") guests will have a nose full of the sweet scent of beignets being kept warm in the oven – reminiscent of strolling through the French Quarter – as part of the attraction queue.

## Experience *Life*: an Exciting New Immersive Exhibit Featuring Animals in Their Natural Habitats

*Life* is an all-new exhibit on nature and conservation, featuring animals and immersive habitats – the largest and most complex exhibit in Orlando Science Center’s history. Presented by Dr. Sarah Layton, *Life* tells the story of conservation through the animals that share our planet.

Through direct encounters within immersive environments that simulate various ecosystems and hands-on exhibit experiences, visitors can better understand how their actions affect all living things, both within Central Florida and beyond. We are all connected. *Life* is now open at Orlando Science Center and included with general admission.

Animals are the storytellers of *Life*’s diverse habitats. The exhibit focuses on three distinct world environments: Rainforest, Ocean and Swamp. These areas feature hands-on experiential learning that vividly demonstrates

our own interconnectedness with the natural world. Visitors can engage and be empowered to take positive action to conserve our natural resources and protect our fragile planet.

Orlando Science Center is dedicated to helping create a stronger and healthier world by educating our visitors using iconic exhibit experiences.

For tickets and more info, see our ad on page 18 or visit [www.osc.org](http://www.osc.org).

# Safety Guide

## TRAVEL SAFETY TIPS

- Do not display large amounts of money. Place small amounts in different pockets, or use credit cards or traveler's checks.
- Make copies of your credit cards front and back, and place them in a secured place with your records (room safe). This can be useful if you need to report a lost or stolen card.
- When you return to your hotel, use the main entrance.
- Be wary of solicitors.
- Use reputable places of business for all your transactions.
- Travel in pairs or in groups when possible.
- Always have a meeting place for your children to meet you if separated.
- Small children should always be lead by the hand near busy streets.
- Small children should have their name and phone number marked on their clothes label or the inside of a shoe.
- Use sidewalks and pedestrian crossings.

Florida uses 10-digit dialing, so remember to dial the area code first, then the number.
